COVID Health and Safety Policy
Revised 7/28/22

Masking:

Based on current CDC guidelines and recommendations we’ve received from the Lawrence Douglas County Health Department; the Lawrence Arts Center has updated its mask recommendations.

- **Beginning August 15, 2022 masks are optional for everyone in our building.**
- However, all those who choose to wear a mask should feel welcome to continue to do so at any time.
- We continue to make masks available at the Front Desk to anyone in need.
- In settings where masking is necessary, these special circumstances will be communicated through standard class communications.

If you are interested in CDC COVID-19 guidance for families about when to mask:

Vaccinations & Accommodations:

Beginning August 15, 2022, all staff, faculty, contractors, and students will no longer be required to submit proof of vaccination or a test accommodation.

Beginning May 13, 2022, all patrons attending ticketed performances and events will no longer be required to show proof of vaccination.

Notes:

We will continue to practice all health protocols adopted to mitigate the spread of the virus.

These policies are based upon the latest guidance from the Centers for Disease Control and Prevention (CDC), the Occupational Safety and Health Administration (OSHA), and our state and local health authorities. The Lawrence Arts Center reserves the right to modify these policies at any time to account for changes in the guidance and best practices about COVID-19.
